

October 23, 2020

Dear Conference President,

We are pleased to announce the Archdiocesan Council's vote to continue the Society's Healey Heat Program and LaPorte Utility Program for 2020/2021. The two programs will be combined as one program with a budget of \$60,000. The program will reimburse for fuel oil, propane, liquefied natural gas and electric service. The program will run from December 1, 2020 through September 30, 2021 or until the funds are depleted.

All completed reimbursement forms must be mailed by October 15, 2021.

If you have any questions or concerns, you may call me.

Sincerely,

Lorraine Adams
